Due to the recent emerging public health situation regarding the 2019 Novel Coronavirus (Covid-19), we are including the following information to help you understand what to expect on test day.

First and foremost, all of our test centers are following prevention steps to reduce the risk of spreading the virus. This includes regular schedules for frequent cleaning of high-touch surfaces and providing disposable wipes so that test takers can wipe down their testing areas.

Further, as a precautionary measure, you will be required to wear a mask at the test center. You should bring your own mask. Masks will not be supplied at the test center. You will need to remove the mask temporarily to have your photo taken and to enable the test center administrator to verify your ID during check-in and upon returning from breaks. Masks with valves or vents are not permitted.
