## English Grammar for Competitive Examinations

The Department of English introduced the Add-on-Certificate Course titled "English Grammar for Competitive examination". This course aims to enhance students' grammatical skills, equipping them to excel in competitive exams like TOEFL, IELTS, GRE, Masters. duration of the course is limited to 30 hours.

This course is structured into three modules: Basic grammar, Intermediate grammar and Advanced grammar which encapsulates parts of speech, voice, narration, complex sentences, degrees of comparison, tenses, Conditionals, error spotting.

The course targets undergraduate students of all streams who aspire to clear competitive exams of various categories. Assessments will be through quizzes, assignments, and a final exam, with successful candidates receiving a "Certificate".

"English Grammar for Competitive examination" is a valuable addition to our department's offerings. It aligns with our commitment to providing quality education and equipping students with skills that extend beyond the classroom.

We are confident this course will significantly benefit students in their academic and professional pursuits.
