

**Success  
Stories of  
TSWRDC(W)  
Students**

## **Kiranmai Pasunuri**

I am Kiranmai Pasunuri, hailing from Kagaznagar, Komurambheem Asifabad, graduated from TSWRDC, Mancherial in BSC(MSCs). My parents are Mr. Satyanarayana who is a painting artist, and Mrs. Vijayalaxmi, a homemaker. I was the captain of the college for the academic year 2018 - 19, which enhanced my leadership skills. TSWRDCW Mancherial equipped me with academic and non academic skills to excel in various competitive exams. I attained Kalinga Fellowship. I won Super student competition (Presented a Lecture in T-Sat). With all this exposure, I was shaped into a perfect personality to face the bigger world outside. Later, I've cleared screening, interview and earned my dream job, placed as Software Developer at Karvy Pvt Ltd.

I ever remain grateful to our legendary Supreme Swaero, Dr. R.S. Praveen Kumar, Secretary, TSWREIS.

## **Rachana Oruganti, B.Sc (MSCs).**

I Am Rachana Oruganti from Rampur village, Mancherial district. My Father is a farmer and mother is a homemaker. I had completed my SSC at ZPHS, Rampur. My parents toiled a lot for my welfare but couldn't afford expenses on Higher Education. At that moment we got to know about TSWREIS and joined in Junior College. I outshone my peers in academics and non-academics. Later joined TSWRDC(W), Mancherial, to pursue B.Sc(MSCs).

I've participated in various programs conducted by TSWREIS and enhanced my communication skills, leadership skills. My overall personality was groomed under the guidance of well-qualified lecturers. Not only excelled in academics, but tried hand in sports and NSS Camps, served as a volunteer and left an indelible mark. I was a state-level softball player, super student in 2018. Later, I got placed in Cognizant Technology

Solutions Pvt Ltd, as Data Analyst through placement drive and added a golden feather in my cap.

I owe a debt of gratitude to Dr. R.S. Praveen Kumar, Secretary, TSWREIS, who strives hard for the welfare of the marginalised and enables many to touch the sky with flying colours by the mission that every student should attain self-dependency.

## Pallem Sai Shivani

I am Pallem Saishivani born to Pallem Ramchander, a Farmer and Mrs. Shakuntala, a Homemaker. My Parents support and encouragement led me to determine to be a Research scholar. I've utilized the academic programs conducted by TSWREIS. My perseverance and passion for chemistry was identified and my skills were enriched. I Excelled in Surf Internship conducted by TSWREIS, Visited **Toledo University U.S.A,**

underwent Research Program on "Cancer Cells" (Apoptosis). Attended **JAM** coaching organised by TSWREIS and cracked JAM 2020.

My meticulous effort fetched me admission in MSC Chemistry at **NIT Manipur**. I am grateful to the benign Secretary TSWREIS Dr R.S. Praveenkumar, who provided numerous opportunities to achieve the dreams of the marginalised.

## **Rangamshetty Kavya Chandana, BA HEP.**

Hi SWAROES. I am Kavya Chandana, daughter of Mr. Srinivas and Mrs. Sujatha from Mancherial district, Telangana. From my childhood, I have studied in private institutions. My father ran our family with his small income and I knew I had to do well in studies. Later, I came

to know about Social Welfare Institutions and my father encouraged me to join. That was the turning point of my life. I have even full filled my dream of traveling and exploring different places visiting Bangalore, Ooty and Mysore as part of Bharat Darshan. I was an NSS volunteer wherein I have bagged many experiences and life lessons. I excelled in academics, non academics and as a result, was encouraged and motivated by my teachers to spend extended study hours. All paid off when a few months back I bagged a seat in one of the India's prestigious institutions, Azim Premji University, Bangalore. Looking at myself today, I am happy to have achieved more than what I wanted.

I specially thank Dr. R.S. Praveen Kumar Sir, Secretary TSWREIS, my parents and my lecturers, who has encouraged me and made me what I am today.

**Kolluri Anjali**

Strong determination never fails. I am Kolluri Anjali. I was born to Mr. Shankar and Mrs. Haritha at Dharmaraopet village, Mancherial. My passion for Telugu subject has started from Eighth Standard. I have joined in TSWR Junior College, Luxettipet. With enthusiasm, I participated in many competitions and excelled. Later, joined in B.Sc MPC in TSWRDC (W), Mancherial. I was inspired by my seniors who were successful and also placed into reputed institutions with the training provided by HO in various fields. I also determined to get a seat in prestigious Universities. Since then, I have spent quality time for preparing PG entrance in my favorite subject with the able guidance of my lecturers. Finally, I got admission in **Hyderabad Central University** in MA Telugu. It is like my dream come true. I express my heartfelt thanks to our beloved Secretary Sir, Dr. R. S. Praveen Kumar who gives wings to dreams of young girls. I thank all my lecturers who nurtured my interest.

## Bejjala Lakshmi

I am Bejjala Lakshmi from Algam village, Mancherial district. My father is a farmer and my mother is a homemaker. After completing SSC from KGBV, I've joined TSWREIS in intermediate and I've graduated from TSWRDC Mancherial in B.Sc BZC. I have improved my communication skills and gained immense subject knowledge from our eminent lecturers and excelled today through guidance and intense coaching of subject experts. My hard work and perseverance has gained me admission in MSC Animal Biology Biotechnology at one of the esteemed universities, **Hyderabad Central University**.

I thank my teachers, Principal, especially Dr. R.S. Praveen Kumar Sir, Secretary TSWREIS, who fills colours in the black and white dreams of little girls who are far away from all sophistications.

## DIVYA JYOTHI JANGAPELLY

**Decisions determine destiny**-true words for me and my family. My Name is Divyajyothi hailing from Khomram bheem (ASF) district, Telangana. I belong to an agricultural family and my parents are Mr. Devaji and Mrs. Parvathi.

I did my schooling and college at TSWREIS, Sirpur(T). It is this choice that has led to my success today. I've experienced the importance of reading here. I took it as a challenge and opted to continue my studies in Society Institutions to enhance my Knowledge and to build my career. I've joined in TSWRDC (W), Mancherial, in BA (HEP). Along with studies participated in NSS and learnt what service is. During my Final year, I've attended TISS NET and was shortlisted and as final stage faced online interview. Finally, placed in this prestigious institution, TATA INSTITUTE OF SOCIAL SCIEINCES, which I never dreamt of and my aim is to make most out of this opportunity. This has all happened because of "TSWREIS". I would be ever thankful to our beloved Secretary Sir, Dr. R. S. Praveen Kumar, lecturers and all my well wishers who made me a proud SWAERO.

## Jadi Soujanya

I am Jadi Soujanya, daughter of Mr. Rajaiah and Mrs. Nirmala. I hail from a remote village Venkampet, in Mancherial district. I studied in Telugu medium school until fourth class and then joined TSWREIS which was the decisive moment of my life. I felt difficult to cope up with English, but with continuous practice I was able to improve my English speaking and writing skills. My enthusiasm and thirst to learn new things made my dream come true along with continuous support and guidance of my teachers. I have been placed at **Central University, Rajasthan** in MSc Biochemistry.

If your actions inspire others to dream more, learn more, do more and become more, you are a leader- John Quincy. I believe in this quote and I want to be the one.

## Bude Shailaja

Bude Shailaja BSc(MPC) is from a remote village Devulawada in Komurambheem District.

Her father Bude Pochaiiah is daily wage labour, the mother is a homemaker.

Inspite of all hardships her parents struggled hard and aimed to provide education.

She is blessed with bright future under the shade of TSWREIS from 5th standard to graduation.

Her sincerity and unwavering effort bagged her with MBA admission in Central University of Tamilnadu.

Mentors and faculty sculpted and mitted her with skills and abilities required to enforce in future.

Her aspiration is to become an HR to any firm.

Expressed her gratitude towards

Dr R.S. Praveen Kumar secretary TSWREIS .

RAMATENKI SAMMAKKA

I am **Ramatenki Sammakka**, daughter of Mr. Chinnaiah[Farmer] and Mrs. Eshwari[Home maker],from algoan, Mancherial district. I have completed my primary and secondary education from government Instituos. I have joined in social welfare institution in my intermediate which became a turning point in my life. I became a graduate from **TSWRDC(W)**, Mancherial that has directed my life towards the path of success. With the motivation and encouragement of faculty members, I excelled in academics and and non-academics. With the guidance of Teachers I have participated in **15 state meets and 1 national meet** from south zone University for the game of Kabaddi. With the support of my family and teachers I studied hard and cracked **AR constable** and now I got a chance to serve our people and nation.

I specially want to thank Secretary **TSWREIS, Dr.R.S Praveen Kumar sir** , who provided numerous opportunities to achieve the dreams of the citizens. And I also want to thank my parents and lecturers who are part of my success.

**Meghana Rangu**

I am **Meghana Rangu**, born to Mr. Rangu Srinivas and Mrs. Laxmi in Mancherial district, Dandepally. Raised attending government Model school. My father, a farmer and my mother, a home maker, supported and encouraged me .Their guidance paved the way for me to become a successful software engineer, a source of pride for them. Thanks to the academic programs offered by TSWRDCW Mancherial. I fulfilled my dream and now shoulder the responsibilities of my entire family.

I express gratitude to the compassionate secretary of TSWREIS , Ronald Rose, all my teachers for providing opportunities to utilize the aspirations of the marginalized.

**Ilaveni Ramya BSC(MSCS) 2019-2022**

I am Ramya Ilaveni, daughter of Mr. Ravi and Mrs. Gouri, hailing from Jannaram, Mancherial District. I completed my secondary education at Girls High School, Jannaram, and pursued my intermediate education at MJPTBCWREIS, Adilabad. Overcoming financial challenges, I discovered Telangana Social Welfare Institutions, where I gained admission through a qualifying entrance exam and completed my bachelor's degree at TSWRDC(W), Mancherial.

The pivotal moment in my journey was the opportunity to participate in a Data Science Camp with placements provided by the institution. By successfully navigating the three levels of tests i.e Preliminary, Mains, and Interview, I earned a spot in the camp. Following six months of rigorous training in Data Science at Vikarabad Campus, I am delighted to share that I secured a position as an MIS Executive in a reputed IT company with a competitive package. Achieving my goals has not only fulfilled my aspirations but has also brought pride to my parents.

I extend my sincere thanks to Ronald Rose Sir, the Secretary of TSWREIS, as well as my parents and lecturers, whose encouragement and motivation played a crucial role in shaping my successful career.

## **CHINDAM DIVYA GANESH BSC (MSCS)**

My name is Divya Ganesh D/O Mr. Ganesh and Mrs. Padma. Basically, I am from Kumram Bheem Asifabad District, Telangana. I have completed my secondary school education from private institutions and intermediate education from Telangana Model School and Jr. College, Asifabad. With my Father's small income, it was hard to fund my education. Later, I came to know about Telangana Social Welfare Institutions and I had got admission by qualifying respective entrance exam and completed my bachelor's degree from TSWRDC, Mancheri. I feel glad to say, that was actually my turning point. I excelled in academics, non-academics and as a result, was encouraged and motivated by my teachers. The institution gave me opportunity to attempt CAT Entrance for MBA by providing excellent training. All had paid off and I fulfilled my dream by securing admission in India's prestigious institution, UNIVERSITY Of HYDERABAD, Hyderabad, Telangana and made my parents proud.

I specially thank to Ronald Rose Sir, Secretary of TSWREIS, my parents and my lecturers who encouraged me and motivated me to made my career

## BURLA SRUTHI.

Myself Burla Sruthi from a remote village which is in Mancherial dist. I came from the marginalized family. My parents are daily wage workers. I completed my SSC in my village school and intermediate at TSRJC(G) Nirmal. Later I joined in TSWRDC(W) Mancherial for graduation. In this degree collage I learned so many things. Iam blessed to study in TSWRDC(W) Mancherial college. After graduation I went to Nirmaan Organisation where have learnt so many skills and now,I placed in the same organisation and working. Even though I am a science student I got selected for this camp because of my madams motivation. When I heard about this camp, I was nervous but my teachers encouraged me a lot so that I overcome my fears and problems.

I specially thank Ronald Rose Sir, former Secretary TSWREIS, my parents and my lecturers, who encouraged me and made me what I am today.
